Bec Parsons has built an international career around her sensitive negotiations of the ever-elusive space between photographer and muse. Chiefly known for her work in fashion, the photographer's output radiates with a rare collaborative dynamic. Both her photographs and her subjects share agency and voice; their underpinning is one of connection, subtlety, and spontaneity. 'Lone Dove', takes this collaborative quality to new depths. Shifting her gaze to young model and champion equestrienne Lauren Devaney, Parsons joined Devaney and her family on their biannual pilgrimage from their home in Arizona to the Music Meadows ranch in Westcliffe, Colorado.
