

Subjective Atlas of Palestine (Reprint)

Subjective Editions, ISBN 9789463965354,

Pb, 160 pgs, 17 x 22cm

Acqn. 31616

£27.00

Sublime landscapes, tranquil urban scenes, frolicking children; who would associate these images with Palestine? Designed by Annelys de Vet, with the help of Palestinian artists, photographers and designers, this unconventional Atlas charts through maps, drawings and photographs individual life experiences as seen through the eyes of the contributors. The Atlas in turn provides a sometimes humorous, colourful and entirely different perspective on a nation and its peoples in occupied territory.
