In a series of humorous, wry and deceptively wise reflections, Babak Ganjei presents us with a radical new take on the artists' manifesto. Examining motivation, inspiration and influence, these deft pieces of prose flesh out the internal life of a working artist right now. In *Art is The Thing Nobody Asked You To Do*, Ganjei attempts to make sense of why he does the things he does, and tries to convince himself it's ok for it to work out.

Babak Ganjei graduated with a BA in Fine Arts from Central Saint Martins in 2001. Since then, he has been working independently as an artist and musician, writing comic books and making comedy shorts for Channel 4 and hosting regular radio shows on NTS.
