Nero, ISBN 9788880561989,

Pb, 160 pgs, 16 x 24cm

Language: English & Italian

Acqn. 33605

£18.00

MUdec United, the new publication of the MUDEC - Museo delle Culture di Milano, is a book-zine dedicated to interdisciplinary research on world cultures. The first issue addresses the themes explored with the exhibition Rainbow - Colors and wonders between myths, arts and science, a project composed of different stories related to the rainbow as a natural, cultural, spiritual and human phenomenon. Each issue of MUdec United addresses a different theme, linked to the Museum's exhibitions.
